Helpful Tips!

- The minimum age for drinking in Florida is 21 so remind your clients to bring photo ID as Discovery Cove® is an all-inclusive park and alcoholic beverages are available.
- The park has lockers large and small so clothes, shoes and valuables can be stored away securely. There is no charge for using the lockers.
- There are several luxury changing rooms dotted around the park and these are available to every guest free of charge. Each has showers, hairdryers, changing cubicles and unlimited towels.
- Don’t forget that school holidays book out very quickly so make sure you book your clients at least three months in advance to avoid disappointment.
- It’s a good idea to have about three preferred dates just in case one or two are already sold out.
- Discovery Cove® can accommodate guest with disabilities who are able to move themselves with limited assistance or with the aid of a personal assistant. Specially designed beach wheelchairs are available.
- Guests can assign a credit card to their Discovery Cove® ID card at check-in so they won’t need to carry any cash around with them and can settle their account as they leave the park.
